**IMPORTANT NOTICE**

The Dogo Canario Club of America reserves the rights to correct for cause the registration of this litter. Any misrepresentation on this application is a cause for cancellation and may result in a loss of all DCCA privileges.

- If this application is accepted, DCCA will send the litter owner one application for the individual registration of each dog in the litter.
- When completed and submitted, this application becomes property of the Dogo Canario Club of America, Inc. Application fees are nonrefundable and subject to change without notice.

**The following instructions and sample application will guide you in completing your application.**

1. Sire and Dam must have been DCCA registered and recorded in the ownership of the persons who were the actual owners on the dates of mating and whelping, **before** this application is submitted to the DCCA. If registration or transfer application for Sire or Dam accompanies this application, **all** applications will be returned.
2. Please use blue or black ink only. To ensure proper registration of this litter, print capital letters and stay within the boxes. Skip a box where a space would normally appear.
3. SIGNATURES: whenever an owner's signature is required and dog is co-owned, only one signature is necessary. Signature of persons other than owners or lessees will be accepted only if power of attorney or other official authorization has been filed with DCCA.
4. LEASE OF DAM: If Dam was leased at time of mating or birth of litter, a "Lease Notification" (obtainable from DCCA) **must** be filled with DCCA.

Enter DCCA champion and/or obedience titles in space provided. Titles will be verified by the DCCA. Print only the DCCA registered names of the dogs in the boxes provided.

If Sire and Dam were mated more than once during the Dam's season, enter the first date of mating.

If Dam was leased on date of birth of the litter, lessee – NOT OWNER – must complete and sign SEC. B. See instruction 4.

Use 2-letter abbreviation for state.

If Dam has Co-Owner and was not leased, print name of Co-Owner.

If ownership of Dam changed between the date of mating and date the litter was born, owner or co-owner of Dam on date of mating must complete and sign SEC. C.

If Dam was leased on date of mating and lease terminated before birth of litter, lessee must complete and sign SEC. C. See instruction 4.
